

Storm Recovery Checklist

In the event of severe weather, keep this checklist handy.

- 1. Contact Your Agent**
 - Your agent will assist in filing the claim.
 - Download the Farm Bureau Financial Services app so that you have your agent contact information at your fingertips.

- 2. Take Pictures**
 - Document the damage with photos or video.

- 3. Take Detailed Notes**
 - Make a list of damaged or missing items.
 - Jot down names and phone numbers of people you speak with regarding your claim.
 - Track post-storm expenses, including lodging and repairs.
 - Make a list of questions that come up.

- 4. Put on your Tool Belt**
 - Secure broken windows.
 - Remove broken tree limbs.
 - Cover holes and/or leaks.
 - Avoid down power lines.
 - Leave major repairs to the professionals.

- 5. Work with your Claims Representative**
 - Your Claims Representative will guide you through the claims process from start to finish.
 - Together, determine:
 - Amount of damage.
 - What needs to be repaired/replaced.
 - Cost of repairs.

It's your future. Let's protect it.®
